Notes from the Librarian

K-2 1st Place Winners

It was a nail-biting, down to the wire finish! **Kolter** and **Harvard** Elementary tied at the end of the final round and had to go into overtime to break the tie. After the 10th and final quote, Kolter answered correctly and

came out the. Congratulations to Landon Liu, Rebecca and Lydia Luo, Alicia Teague, Penelope Caraballo, Oluwateyin Aghedo and captain of the team, Andrew Sazykin for a job well done. **Kolter Rocks!**

NEW BOOKS ARE ON THE WAY...

You've asked for a variety of books and they are on the way!

Poetry Month

I made myself a snow ball as perfect as could be; I thought I'd keep it as a pet and let it sleep with me. I made it some pajamas and a pillow for its head. Then last night it ran away; but first - it wet the bed.

National Humor Month

Why did the teacher wear sunglasses? Because her students were so bright.

Upcoming

SchoolStore.com

Our SchoolStore is going great thanks to all the families who have already participated. If you have not participated there is still time to help our school and for your child to win prizes. Next Tuesday (4/14) students will bring home a "student participation confirmation notice" to be completed by the parent and returned on Wednesday for a bonus prize* (strictly first come, first receive and only one day).

LIBRARY STATS...

HISD Librarians have been having good days with our new catalog system, Destiny. Follett issued a patch that has improved the software's performance (remember how long it took me to scan a book out) and HISD IT tweaked the firewall settings to get rid of a certificate warning issue. So the system is running smoothly.
